FINANCIAL POLICY AGREEMENT

Please initial all: Date: _____

_____ **Account Balances:** Full or partial payments due at check-in for all patient accounts.

_____ **Bounced/Returned Check Fee:** All returned checks will incur a **$25.00** administrative fee billed to the patient's account.

_____ **Cancellation and No Show Policy:** If it is necessary to cancel your scheduled appointment, we request that you call one (1) working day in advance. A failure to cancel or present at the time of a scheduled appointment will be recorded in your chart as a "no show" and an administrative fee of **$50.00** will be billed to your account. Patients with 3 "no shows" will be dismissed from the practice.

_____ **Collections Policy:** All outstanding patient account balances greater than $50.00 will be sent to a third-party collections agency for payments not received within 60 days of services performed. Patient further agrees to pay all finance charges, collections costs (40%), Attorney fees, and any other cost that may be incurred to enforce collection of any amount.

_____ **Co-payments/Co-Insurance:** Due at time of services rendered; exact amount of cash is appreciated, as office carries minimal cash for change. Checks and credit cards (Visa, MasterCard, and American Express) are accepted. Services that are not covered under a preventative Well Woman Exam (Annual) that are discussed at the time of the visit may incur an additional office charge, which could result in a copay at the time of the visit.

_____ **Finance Charges:** As of **January 1, 2015**, any patient account with a balance of $50.00 or greater will be assessed a finance charge of 2% for payments not received within 30 days of services performed. An additional finance charge of 2% will be assessed every 30 days that full payment is not received.

_____ **Insurance:** Your insurance policy is a contract between you and the insurance carrier; the Physician is not involved in this contract. You are contractually responsible for your co-payment, co-insurance, or any balance unpaid at the time of service. The office no longer accepts *new* patients with Medi-Cal or Central Coast Alliance. *Existing* patients who switch to these carriers will be given 30 days to find a new provider or establish themselves as a self-pay patient.

_____ **No Insurance:** Patients who are self-pay are responsible for the entire balance at time of service.

_____ **Payment Plans:** Any patient with an account balance greater than $50 may set up a payment plan with our office. At minimum, 10% of the total balance must be collected each month.

_____ **Payment Methods:** Merced ObGyn Care, Inc. offers several payment methods to help accommodate a patient's financial status. Patients can choose:

- Provide a credit card for the staff to keep on file, and any account balance will be charged to the card on file monthly at a date of the patient's choosing;
